9. [REDACTED] Called Jim Davidson, Senate Government Operations Subcommittee on Intergovernmental Relations staff, to determine the status of the Subcommittee's consideration of our request for an exemption from most of the provisions of S. 3418, the Senate version of the right of privacy bill. Davidson said he had discussed our request with Bob Bedell, OGC/OMB, and had explained to him that Senator Sam J. Ervin, Jr. (D., N.C.) is strongly opposed to any exemption which specifically identifies CIA. Bedell felt that wording could be worked out which would effectively exempt Agency information without mention of CIA. Davidson said that Bedell will call me to work out the language. Bedell will then submit this proposal to Davidson for consideration by the staff and Senator Ervin.
